

To Whom It May Concern,

I've heard the NAB is on the move to limit XM Radio to the public. This I feel is not only unethical but an attack on our freedom of speech and our freedom to choose. They are in fact attacking what is American. They should be ashamed of themselves for trying to hold back the use of new technology which is what keeps the U.S. ahead in todays brutal ecomomy.

Please do all you can so that these people are stopped.

Respectfully,

A Law Abiding, Taxpaying Citizen, Russ Moya
